JOAQUIN Q. ATALIG,

Plaintiff,

vs.

OKP (CNMI) CORPORATION, *et al.*,

Defendants.

CIVIL ACTION NO. 06-0434

**DECLARATION OF PRAMUAN
JAIPHAKDEE IN SUPPORT OF MOTION
FOR SUMMARY JUDGMENT**

1 I, Pramuan Jaiphakdee, hereby declare:

2 1. I was employed by OKP CNMI Corporation ("OKP") as a heavy equipment operator
3 related to the Rota Runway Extension Project and am a defendant in the case for which I am
4 submitting this Declaration. I have personal knowledge of the matters stated herein, and would
5 be competent to testify to same if called upon to do so.
6

7 2. In late December, 2005, Reddy Goluguri told me to clear an area 100' x 150'. To show
8 me exactly where to clear, Reddy measured out 100' one way on the property and 150'
9 perpendicular to it with me. I then marked the width and the length by placing rocks and sticks
10 at the starting and ending points.

11 3. Reddy instructed me to first clear a border around the perimeter of the 100' x 150' box for
12 him to check. I scraped a 3' wide boundary line around the area to be cleared. Reddy inspected
13 the boundary line and found it was in the right location and had the right dimensions. Reddy
14 later communicated to me that Mr. Yee had approved the clearing. I then proceeded to perform
15 the clearing.
16

17 4. At the time that I performed the clearing I knew I was to clear within the box. I was not
18 told of the existence of any cultural or historical artifacts or any other items of value on the
19 Atalig property. Additionally, I had no other knowledge of any cultural or historical artifacts or
20 any other items of value existing on the property.
21

22 5. On the first day of clearing, I cleared three quarters of the area of the box, first using an
23 excavator and then a bulldozer. I left piles of debris in the box. On the second day, I cleared the
24 remainder of the box area and then made my own decision to push the debris outside of the box
25 using the bulldozer.

26 6. There was a one-room tin shack located on the Atalig Property. The tin shack, which I
27 understand Mr. Atalig refers to as a "dirty kitchen" or "laundry," was not located in or near the
28

1 area that I cleared and was not damaged by the clearing. Subsequent to my arrival on the
2 property the tin shack was disassembled. I did not participate in the disassembly of the shack
3 and did not authorize the disassembly of the shack.

4 7. There was also immediately adjacent to the tin shack an A-frame structure that was
5 damaged before I arrived in Rota. The A-frame structure was not damaged by my clearing. I did
6 not participate in damaging the A-frame and did not authorize any such acts.

7 8. There was also located on the Atalig Property a former bar building that OKP renovated
8 and used as a kitchen. The kitchen was not damaged by my clearing.

9 9. I did not take any items from the A-frame, shack, or kitchen and did not authorize anyone
10 else to do so.

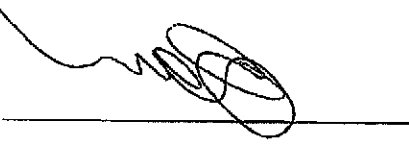

11 I declare the foregoing to be true under penalty of perjury in SINGAPORE
12 on October 15, 2007.
